## **PROJECT UPDATE**

### **DPW Construction Projects: 2012 Sewer Rehabilitation - Update**

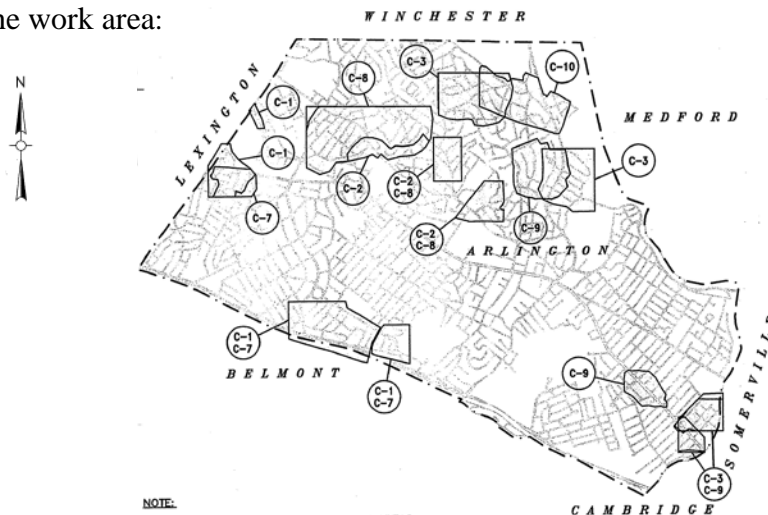

**Construction associated with the 2012 Sewer Rehabilitation Program is on-going.**

As part of the Town's ongoing Sewer System Investigation and Planning Program (SSIPP), the Department of Public Works in conjunction with Town's Municipal Sewer Consultant; Weston & Sampson, is coordinating the rehabilitation of various sewer improvements throughout the Town. The work was identified through an investigation program and will correct sewer deficiencies and remove sources of infiltration and exfiltration through a number of corrective repairs and improvements including:

**The following improvements being performed as part of the program are detailed below and indicate the completion status as of July 10, 2012:**

- Separation of shared manholes
  - 50% complete
- Repair and adjustments of sewer lines
  - 100% complete
- Manhole cover adjustments
  - 100% complete
- Catchbasin replacement
  - 0% complete
- Relining of Manholes
  - 100% complete
- Cured-in-place pipe lining
  - 0% complete
- Root treatment
  - 100% complete
- Removal of Sewer X-Connection
  - 100% complete

Project areas are located in assorted and various locations throughout the Town. Please see the sketch below for an overview of the work area:

**NOTE:**  
 SHADED AREAS INDICATE GENERAL WORK AREAS  
 INCLUDED IN THIS PROJECT.

Work began in the early Summer of 2012 and will extend into late Spring of 2013 (weather dependent). During this time residents should expect some on-street parking restrictions to allow for construction activities & equipment. The contractor will make every effort to keep inconveniences to a minimum and traffic police details will be present to aid in driveway access/egress and roadway safety. Residents are requested to observe on-street roadway postings, detour signs and traffic message boards to aid traffic management efforts. Residents traveling through these areas should plan accordingly, allow for travel delays, and should consider alternative routes when possible.

Further notices will be provided to abutters as necessary. Water rehabilitation updates will be posted online at [arlingtonma.gov/dpwprojects](http://arlingtonma.gov/dpwprojects).

The Department of Public Works would like to thank residents for their cooperation during these improvement projects.
